

US Army Corps and US Department of Agriculture (USDA) Economy Act Agreement for Invasive Reptile Control

Economy Act Agreement

- “Economy Act” allows one Federal Agency to pay for services provided by another Federal Agency
- Prior to agreement with USDA, FWC assisted with dispatching of captured iguanas
- Pushing for iguana control for years
 - Increased iguana presence in Clewiston made it more of a priority
- Took about a year to get it in place (signed in April 2018)
- It is a 5 year agreement for up to \$250,000
